Sir:

In reply to the Advisory Action dated June 13, 2008, Applicants respectfully request reconsideration of the pending rejections and reexamination of the present application in view of the following remarks.

In response to the Advisory Action, Applicants resubmit the attached Terminal Disclaimer, disclaiming the portion of the term of a patent issuing from this application that would otherwise extend beyond the expiration dates of U.S. Patent No. 7,084,105, as more specifically set forth in the Terminal Disclaimer, together with a newly executed Power of Attorney and Change of Correspondence Address Form designating the undersigned as attorney of record and authorized to sign the Terminal Disclaimer. Also attached is a copy of the Assignment being submitted concurrently herewith.

This application should now be in condition for allowance. A Notice of Allowance is respectfully requested. If the Examiner believes that a telephone conference with Applicants' undersigned attorney of record might expedite the prosecution of this application, he is invited to call at the telephone number indicated below.

If there are any additional fees due in connection with the filing of this amendment, please charge the fees to undersigned's Deposit Account No. 50-1067. If any extensions or fees are not accounted for, such extension is requested and the associated fee should be charged to our deposit account.

Respectfully Submitted,

July 10, 2008
